## ATV Minnesota Legislative Summit: January 8, 2022 *Plan Now For Your Club To Be Represented*

The future of ATV riding in Minnesota starts at the Legislative Summit, scheduled for January 8, 2022, at Treasure Island Resort & Casino. It's your ATV club's opportunity to submit resolutions to be prioritized and voted on, giving ATV Minnesota and its lobbyists direction and priority on what Legislative issues will be pursued during the 2022 Legislative Session. All ATV Minnesota clubs are invited to send representatives. There is no charge to attend.

Continental breakfast: 7:30am  
Meeting: 8am-Noon

### Attending in person:

Rooms may be booked directly with Treasure Island by visiting the [ticasino.com](http://ticasino.com) website. Tap "Hotel & Resort". A block of 15 rooms is held by ATV MN at a set price of \$139 per night plus local taxes and resort fees, good until December 8, 2021. Other lodging options are available in Red Wing.

## **An Invitation To The Summit from Ron Potter, ATV MN President** *(Also mailed to all ATV MN club representatives)*

It is time, once again, to decide what issues we want to address during the next Minnesota State Legislative Session. We will use a similar procedure to past years by reviewing past resolutions that have not been completed, and considering new issues sent in by ATV MN member clubs. This will all take place on Saturday, January 8th, 2022, at Treasure Island Resort, near Red Wing, Minnesota. This meeting can be attended in person, and we will be offering a virtual option through Zoom. I have sent to all clubs the resolution application for this year's Summit, as well as the procedure that will be used to prioritize the initiatives for the 2022 Legislative Session for our

Association and our Lobbyists.

### **Club Initiatives Due by December 31, 2021.**

If you have any questions, please let me know. All Legislative Initiatives that are to be considered for the 2022 Session need to be into the ATV MN office by end of the workday on December 31. I also sent all clubs the ATV MN policy for voting on these Legislative Initiatives, as well as the procedure for submitting them. It's important to note that all initiatives must be signed by the President of the ATV MN member club. Also important to note is

how the voting will take place, with one vote from each member club present either through Zoom or in person. Voting is by the club president or identified alternate. This is all explained in the documents mailed to clubs.

Again, if you have any questions, please let me know or contact a member of the Executive Board. Thank you in advance for helping us shape our Legislative efforts for the 2022 Minnesota Legislative Session.

## **Vision Conference Saturday, March 19, 2022**

*(Tentative date, details to come)*

At the annual Vision Conference, the ATV Minnesota Executive Board, Regional Directors and ATV club members from across the state discuss a wide range of topics, with one goal: creating a clear Vision for ATV MN, and the Action Items needed to move it and its 70 member clubs forward, and advance our state's awesome ATV trail system. It's also your chance to buy new ATV MN gear,

reappoint or elect new Regional Directors...and more. Location and additional details to come.

## "Ride & Roast" Saturday, May 21, 2022

This fun annual event is at McQuoid's Inn, Isle, Minnesota. It starts with a pancake breakfast by the Isle Fire Department, followed by guided rides, with a trail-side box lunch on the Red Top, Foxy Loop and Solana trail systems. ## Thanks To Our Business Members And Member Clubs For Supporting Last Year's Event (Watch for our new banner)

We missed a few clubs and businesses on our banner at the 2021 Ride & Rally in Ely, so we had a new one made, recognizing the ATV MN business members and member clubs that were gold, silver or bronze sponsors, or donated items to the event auction. It's a little small in this newsletter, but watch for the 4 ft. by 12 ft. banner throughout the year at our ATV MN events, and a photo of it posted on the new ATV MN website: [atvmn.org](http://atvmn.org)

### Congratulations to Voyageur Country ATV

*A note from Bruce Lawrence, Recreational Vehicle Coordinator, MN DNR Enforcement*

"It's gratifying to see the recognition of the hard work and dedication by volunteers on behalf of the Voyageur ATV club. Hats off to those members awarded for Stewardship and Volunteerism (reported in the last ATV MN newsletter). Good things come to those people who are vigilant and mission-driven

to benefit local communities. At best, governmental bodies are too limited with staff and financial resources to obtain suitable growth and opportunities, unless grassroots efforts are put into play to overcome those hurdles. I truly want to say THANK YOU for the time and dedication on improving access for all off-highway vehicle users across northern Minnesota."

### Corrections:

In this issue of the magazine, we gave two different dates for the 2022 Ride & Rally. Our apologies. The correct dates are shown in the article on page 10: September 16-18, 2022. We also want to apologize to ATV MN member Clark Magnus. In the September/October magazine, an article on the B&B Trail said the ATV club stopped at the Antler Lodge for lunch and sang happy birthday to Clark in honor of his 87th birthday. We were off by 7 years! In fact, Clark had just turned 80 years young; he never misses a club ride and hits the trails several times a week in central Minnesota. The writer took some ribbing for the error at later club rides. Sorry Clark and Happy 80th!
